

JOBs for LIFE™ (JfL) at school #6 prepares the under- and un-employed to face the workplace with six major take aways that set them apart from others in a job search:

1. A Resume
2. A Career or Vocational Plan
3. 60 Second Elevator Pitch
4. Outfit For Your Interview - Voucher from our Thrift Store
5. 1 Job Interview Opportunity From Passaic Co. One Stop
6. Mentorship through your progress

“You don’t want a job for now, you want a *JOB for LIFE!*”

“I felt as if I belong... They taught us how to acknowledge our roadblocks, find ways and means to set our goals, overcome these road blocks and move on. We were taught how to be productive, adaptable, reliable... I was timid, but after Jobs for Life, I am ready, able to stand in front of any group, organization... and do a presentation.

Thank you Jobs for Life!” - Wensie L.
